

I'm going to Step By Step

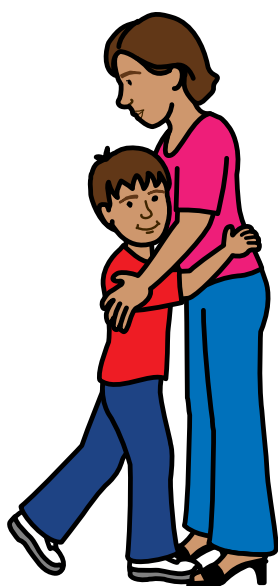

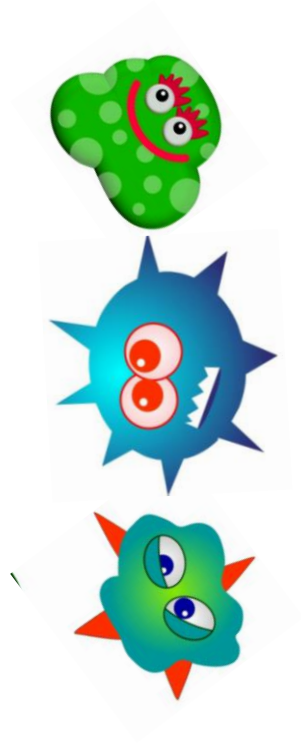

I will play with my friends. I will have lots of fun!

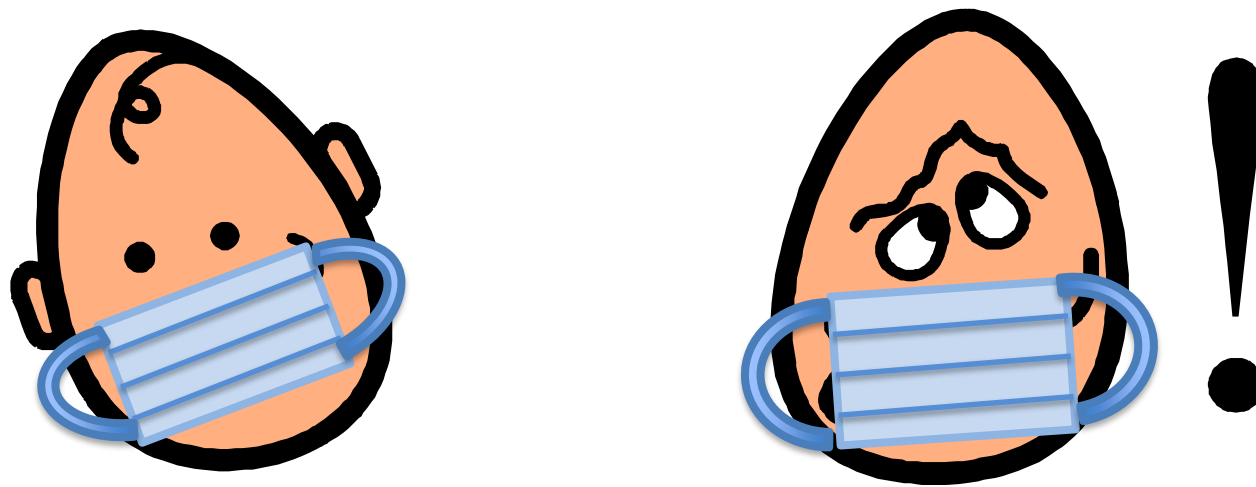

When we get to Step by Step we will ring the door bell.

I will say goodbye, onen to my family. We will hug.

My Teacher will meet me inside. My Teacher will wear a mask to keep me safe from germs.

It looks funny. We can make silly faces together.

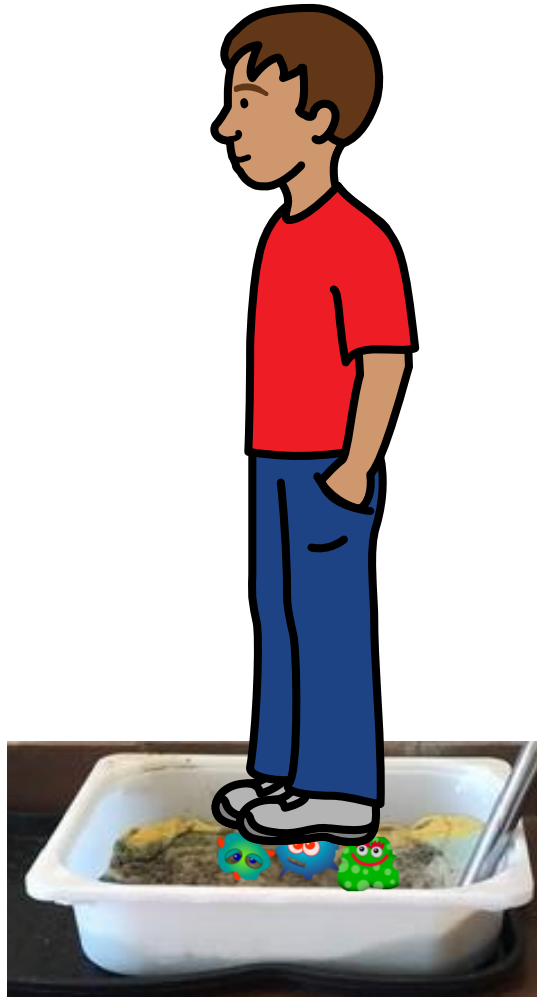

My teacher will wear a face shield too.
Look there's Tyler. And Joe is wearing one also!

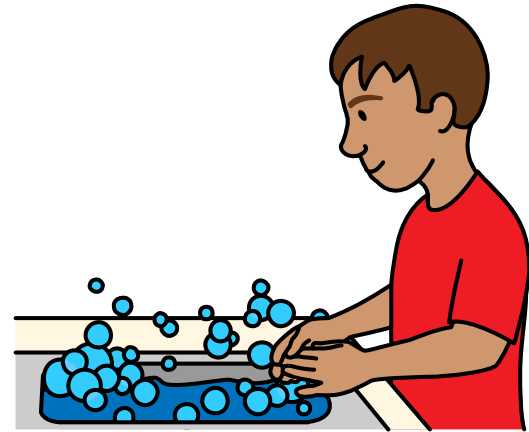

We can pretend to be superheroes.
They wear masks too!

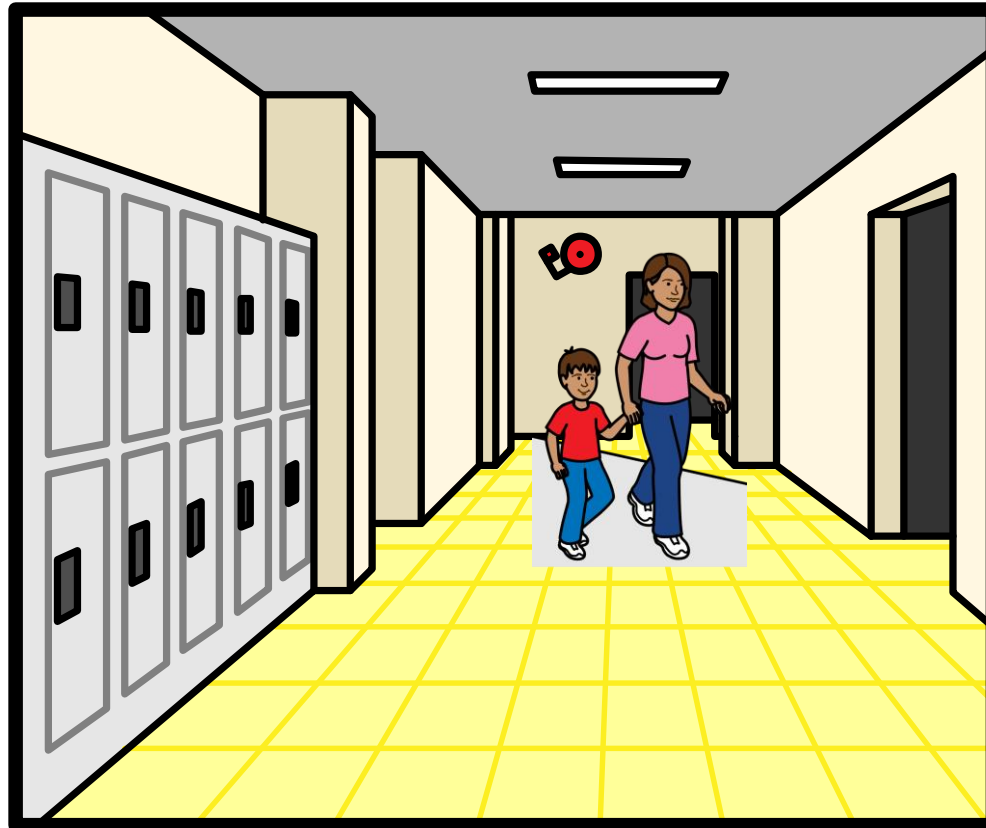

We will put my naptime bag and lunch box
on the Trolley.

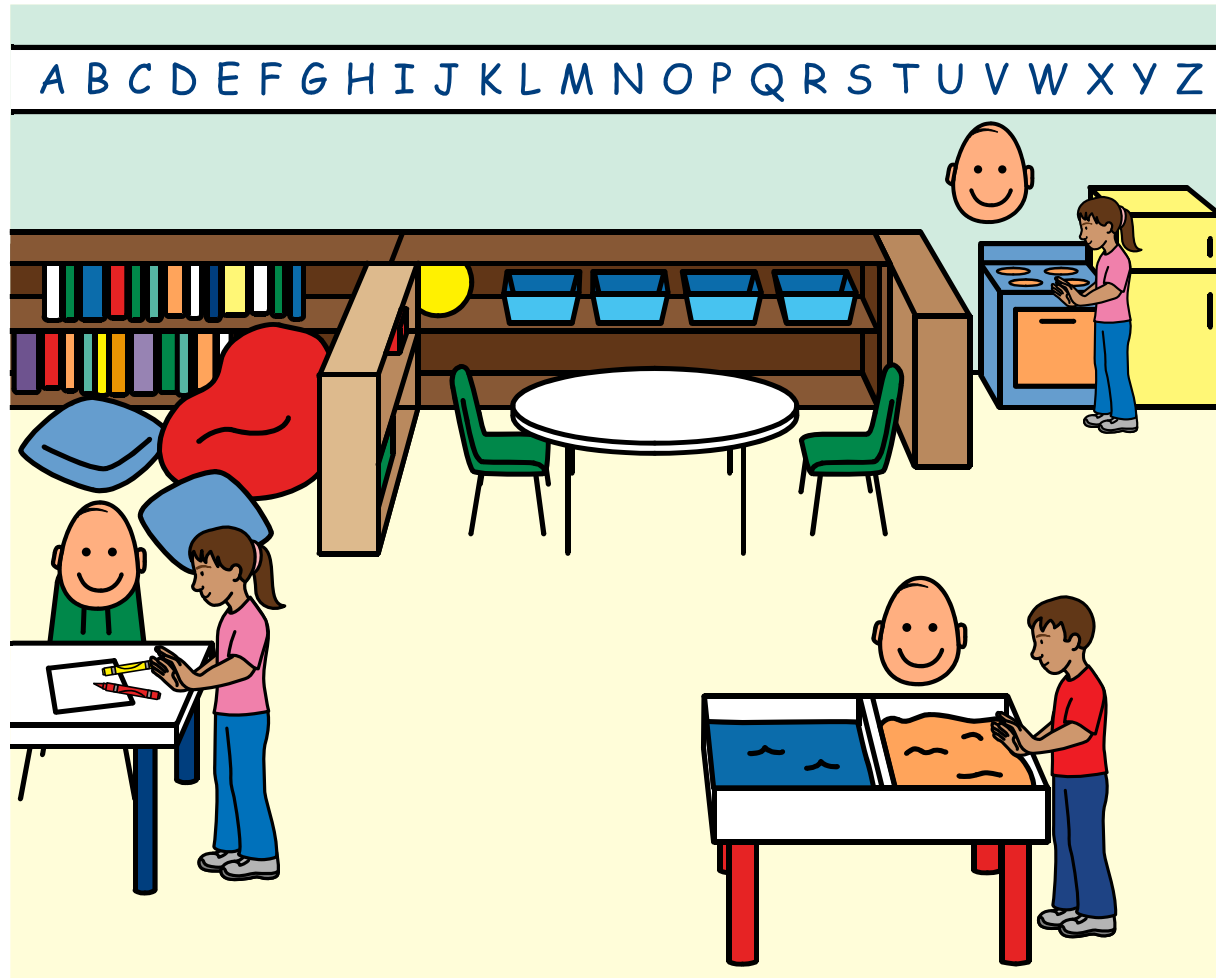

I step into a bucket to clean my shoes.
I count 1,2,3. I'm squashing the germs!

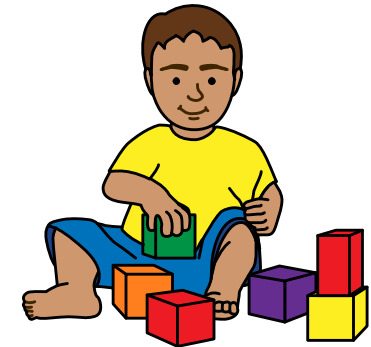

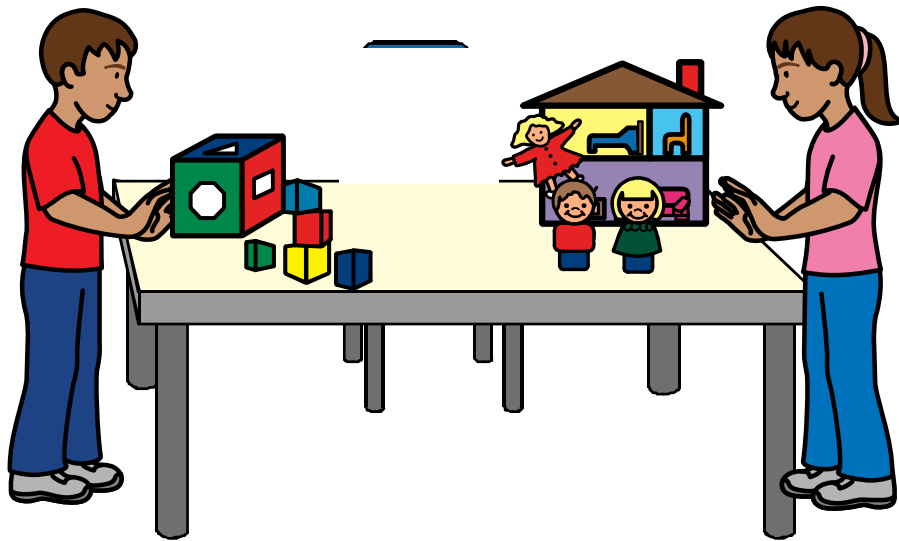

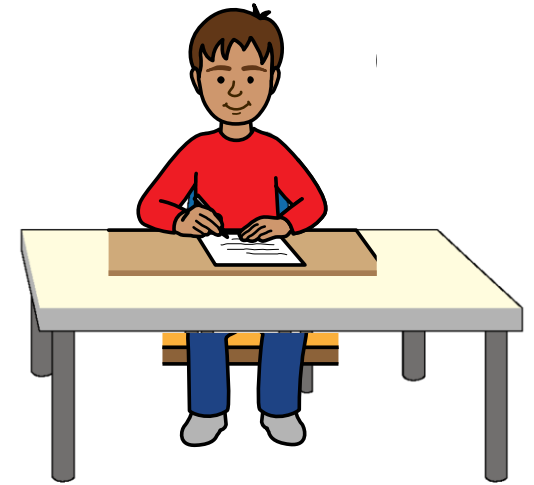

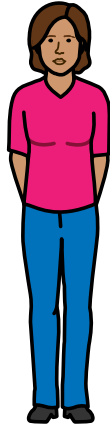

I will also wash my hands .

I will walk with my teacher to my classroom. We talk, sing a song or walk like animals. It's fun!

I am so happy to come to Step by Step
to play with my friends.

Not all my friends or teachers are there. But I can still have fun and I know I am safe at Step By Step.
